

2017 Lord of the Lake Rider List.

This is a list of rider entries as at **21th September 2017**. It will be on the QR webpage (<https://qldraceways.com.au/bikes/lord-of-the-lake>) and a copy will be on the QEMSC webpage. (www.qemsc.com.au)

Please check this info and advise if it is wrong or needs altering. **Changes since the last list are in red.**

If there is no number listed, could you please contact Rex (0408 454 986 secretary@qemsc.com.au) and let him know your preferred number. The numbers are allocated on a "first in best dressed" basis. If it must be changed I usually just put a 1 in the number somewhere. Regularity entrants do not require a number.

If there is no transponder listed, and you own your transponder, could you again, please let Rex know. If you are going to buy or hire a transponder, please contact Rachel (1800 RACERS 722 377) so she can allocate one for the Timing system.

The final instruction will be issued on Thursday. Please read these and bring them with you. They will include carport allocations. They will be emailed so make sure your email address is correct.

Any late entries will be included on this list..
