

2017 Carnell Classic Entry List

As at 28/05/2017

This is the latest list I have prepared. Please note your race number. A couple were changed due to someone getting in before you.

Please also note your transponder number and ensure the right transponder is on the right bike. If not, your times will not be recorded. The highlighted spots are those where, if \$\$ is shown, you have paid but Rod has not yet allocated you a transponder. That will be updated as I get the info. If it is highlighted and has ??, it means you have not paid for a transponder and you will not get times. You can pay on the day or via DD or PayPal.

If you notice any errors, please let me know. If you have entered and do not appear on the list, let me know. ☺. 0408 454 986. treasurer@qemsc.com.au
