## PLEASE NOTE

The 2014 Shannons Australian Historic Road Race Championships is governed by Moreton Bay Shire Council noise restrictions. We do not believe any motorcycle **not** fitted with a muffler will comply. We are asking people who know or believe their motorcycle is close to exceeding 95 decibels at 30 metre ride by to modify their bike as the local noise limit is measured at various locations around the track & is 95 db at TRACKSIDE!!!!!!.

Please comply or DO NOT ENTER
