

Good morning all.

It is with much regret that I must inform you that the Carnell Classic race meeting due to be run on the 28th and 29th of March HAS BEEN CANCELLED.

It has been a difficult decision to make but I believe it is the correct decision in light of recent developments re the Covid 19 outbreak.

This morning at 10.15 am we received an email from our state controlling body MQ outlining what we are required to do to make the meeting safe for all concerned and we will find it very difficult if not impossible to comply with their guidelines at such short notice.

This is not a decision that has been taken lightly and your committee only has the participants and officials well being at heart.

Please accept my sincere apology for any inconvenience caused.

Best regards
