

STANTHORPE RACE MEETING AT CARNELL RACEWAY JULY 20th & 21st 2013
REGULARITY EVENT

- 1: The event is open to anyone who owns a motorcycle, road registered or not, manufactured up to December 1990. All machines will be scrutineered prior to competition.
- 2: Machines must have mirrors removed, headlights & indicators taped & side stands secured. Road registered machines must have the number plates & rego sticker covered or removed.
- 3: Competitors must wear sturdy clothing, jeans, jacket, boots, gloves & an approved helmet in good condition.
- 4: Machines “do not” require a race number as each machine will be fitted with a timing transmitter to record all lap times. No other form of timing may be carried on the machine & the speedo & tacho must be covered.
- 5: Entrants will have a warm up round on Saturday morning to record lap times & then decide on the time they wish to nominate. The competitor who is consistently closest to that nominated time over 2 rounds on Saturday & 2 rounds on Sunday will be declared the winner.
Note: After the first round competitors may alter the nominated times by advising the race secretary/treasurer Rex Dell at the secretarys box.
- 6: Entry fee is \$60 per machine plus a \$50 cash deposit per transponder. **The transponder holders will be supplied to all competitors & must be returned at the conclusion of the event. Each competitor will be issued with a "Single Use Recreational Activity License" (\$25 is included in the \$60 entry fee) unless they are competing in a race event on the same day.**
- 7: Machines used in this event **cannot** be entered in a race event at the same meeting with the same rider.
- 8: **If you or any of your members are interested in supporting this category please contact me by email or give me a call anytime on 0412 717929. Entry forms are available at www.qemsc.com.au**
