

Lakeside Motorcycle Racers' Reunion Dinner

SOLD OUT!

Unfortunately we are limited to 140 guests at the Lakeside Riders Reunion and the tables are now booked out.

If you are receiving this message you are probably not booked into the dinner. If you disagree with this please let me know, asap.

If you have any doubts about whether someone else has booked for you there is no need to panic. Just send me an email & I will let you know.

If you haven't booked a seat & want to catch up with celebrities & guests, there will be an opportunity to "meet & greet" after racing ends on the Saturday afternoon before the dinner, most probably in the museum/cafe below the Lakeside Function Centre. I will confirm this in a later email.

If you forgot to send in your application for the dinner & want to be put on a waiting list, pending any cancellations, let me know by return email.

There will be many A-graders and "legendary" Australian & international riders, their crew members and sponsors from the 60s, 70s & 80s as well as the current bunch of youngsters (some under 70 year olds!) who are competing in the Historic Championships.

*FYI Entries to the **Australian Historic Road Racing Championships** have been fantastic with over 260 bikes entered so far. Entries are still open for another month!*

There is a practice day on Thursday, 25th Sept. Qualifying on Friday & probably some races. Racing all day Saturday & Sunday.

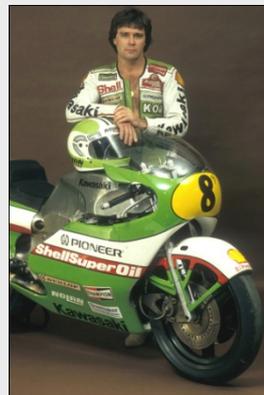

Tickets will be available at the gate & on line. If you want to enquire about spectator tickets ring 1800 RACERS (1800 722 377) , Queensland Raceways.

Hope to see you there, Bernie
