Presidential Welcome to the 2024 Big Chill

Gday and welcome to the world renowned and universally accepted as , the greatest Historic road racing event anywhere in all the known and unknown universes and it is called " THE BIG CHILL."

The popularity of this event is growing year by year and this year the entry list totals 115 intrepid adventurers of ages from quite young to very, very old and all in between.

I would like to thank everyone involved in organizing and running the event. The following people deserve a huge thank you for all the work and effort that they put in to making the "Big Chill" what it is today. Grant Jordan, David Vincent, Israel Suarez, Cyrel Wright, Ian Milton and the Flag Marshals and Officials. Matthew Klein and his crew who put the crash bags out every Friday ready for Saturday kick off. Sam Palmer and the Stanthorpe Scouts for Running the canteen and selling our merch. The Short Circuit motor sport club for all their work on track improvements. With out these people who donate their time we would not have a race meeting to enjoy.

Many thanks also go to you the competitors for your continued support in making the event the "Magical Mystery Tour" that it is.

This year we have the big shin dig at the RSL with 80 plus people booked in for a feed and a yarn and a huge thanks goes to Ian Milton for organizing this " Christmas in July " extravaganza.

As you all know RRATs are hosting the State titles in Townsville in August at the new track so get your entries in and don't miss out on the chance to race at a great new track. RRATs need our support so get to it. As I come to the end of my spiel, I am reminded of something that I thought of yesterday," Two wheels are good for the mind but Three wheels are good for the soul." Race a sidecar because (as Dave Vincent says) it's the most fun you can have with your pants on.

I look forward to seeing you all at the track and as always if you don't have fun and enjoy yourselves then it's your own fault.

And don't forget that the only thing better than horsepower is MORE BLOODY HORSEPOWER !!!!!!!

Hooroo and see you Saturday.

Peter Searle, President

POSTER BOY BACK STORY

At each of our race meetings we recognize a member who has been an outstanding contributor to the club.

So, onto the "Poster Boy" for the Big Chill 2024.

Q1. Who deploys the crash bags at every meeting ?

Q2. When you arrive at the track and the crash bags are already installed, do you ever contemplate this, whilst setting up your pit and socializing ?

Answer. Matt (Matty) Klien and his amazing pit crew are always the first to arrive at Carnell. They then install the crash bags for YOUR safety.

This is a laborious, thankless and time consuming task and deserves recognition.

Matty has been a dedicated QEMSC club member for many years. He rides the very competitive Period 3, BSA sidecar, No. 14, which is featured on our "T" shirts at this meeting.

Please buy a T shirt to help support the club and also to recognise Matty's efforts.

Furthermore, please open your pockets when Matty's lovely lady Kim, visits your pit selling tickets in the club raffle.

A big thanks to Kim who does this at each meeting so please make her welcome.

Finally, Matt and his loyal pit crew usually are pitted right beside the track exit, at the entry to the pits.

Take a few minutes over the weekend, to drop in and say Hi, and thank Matt and the team for their efforts.

On behalf of QEMSC, many thanks Matty.
