## Presidential Welcome to the 2023 Big Chill

Hello fellow idiots .

Welcome to Carnell raceway for the Annual running of the world famous "Big Chill" Historic motorcycle road race meeting.

As always it will be a weekend of fun and " derring-do" with the now legendary close racing on Saturday followed by freezing your bollocks of overnight and then racing like maniacs in an attempt to warm up on Sunday.

Many thanks must go to those few who put their endless hours of spare time into organising and running this event, we must thank them from the heart of our bottoms for what they do to make our weekends fantastically splendid. Please feel free to thank them personally as I know they will appreciate it.

You will notice a few changes at the track and we thank the car club for their efforts in making the improvements and look forward to a few more.

And so it is as always that you will all enjoy ourselves and if you don't you will be spoken to very sternly.

Have a great weekend folks and always remember that " The only thing better than Horsepower is MORE BLOODY HORSEPOWER.
